**FY 2025 Annual Report**

*Fiscal Year October 1, 2024 – September 30, 2025*

## Letter from the CTC President

Dear Members,

Charlottesville is known far and wide as a haven for runners and walkers. Whether it's in the early morning hours or the late-day shadows, you'll see those of all ages putting in the miles, making the effort.

CTC remains an integral part of this community due to its members. And thanks to your enthusiasm and financial contributions, we were able to take several major steps forward this year.

These included:

- The installation of lights at Charlottesville High School's Curtis Elder Track. As many of you know, CTC was the first major donor in this community effort as we gave \$10,000 in the name of Mark Lorenzoni.
- Continuation of our "Shoes for Kids" program, in which nearly 100 local children were offered quality training shoes, and the CTC Skip Kinnear Scholarship, which is awarded annually to high school seniors to defray costs of their first year of college.
- More than 600 registered for the summer All-Comers Meets, with families from as far away as Culpepper and Leesburg attending.
- The Charlottesville 10 Miler and Women's Four Miler races, our trademark events, reached new levels in participation with more than 4000 runners combined.

CTC's October Newsletter had a story on our annual meeting and party, which included a celebration of club members and volunteers.

In this annual report, you'll find the financial particulars for CTC, our honor donor roll, and snapshots from another memorable year.

If you have any questions or concerns, or if you'd like to join us in bringing more such events and efforts to our community, please reach out to us.

Sincerely,  
Tim Wendel  
President, Charlottesville Track Club

**Who we Are:**

Established in 1976, the Charlottesville Track Club (CTC) is the driving force behind running in Central Virginia. Each year, the CTC directs some of the most popular local races including the New Year's Day 5K, Charlottesville Women's 4 Miler, Charlottesville Ten Miler, Bruce Barnes Mile, the All-Comers Summer Track Meet Series, and numerous training programs.

Mission: CTC is organized to provide a structured organization for the purpose of promoting running as a sport and healthy lifestyle within our community. In furtherance of our purpose, CTC hosts group runs, fun runs, training runs and programs on the road and/or track, hosts education lectures about topics of interest for runners, provides awards for club members, hosts social events for members, and all such other things as may be conducive to the encouragement of running. CTC also engages in community activities, to publicize by appropriate means, the benefits of running as a means of physical fitness to improve the health status of people in our community. CTC's support of non-profit running events helps raise funds for well-deserving area organizations.

**CTC Races and Events**

We are lucky to have so many running opportunities in Charlottesville. The following are official CTC races and events: New Years Day 5K, Charlottesville Ten Miler, Middle School Track Meet (in partnership with Ragged Mountain Running & Walking Shop), Bruce Barnes Mile, Women's 4 Miler Training Program, All Comers Summer Track Meets, Marathon & Half Marathon Training Program, Women's 4 Miler, and Charlottesville Ten Miler Training Program. CTC supports many other local races (for example, by assisting with marketing and providing volunteers).

The proceeds of the Women's 4 Miler support the UVA Breast Care Center. CTC presented a check to them in October 2025. Left to Right), CTC president Tim Wendel, Four Miler race director Jaime Kurtz; Dr. Anneke Schroen, Dr. Trish Millard and Dr. Christiana Brenin from UVA Breast Care Center.

**Let There Be Light!** After much planning and fundraising, Charlottesville High School hosted the dedication ceremony in October 2025 for the new lighting at the Curtis Elder Track at CHS and CTC Board members attended.

Andy Jones (Director of Student Activities, CHS) acknowledged the many people and organizations who made the lights possible.

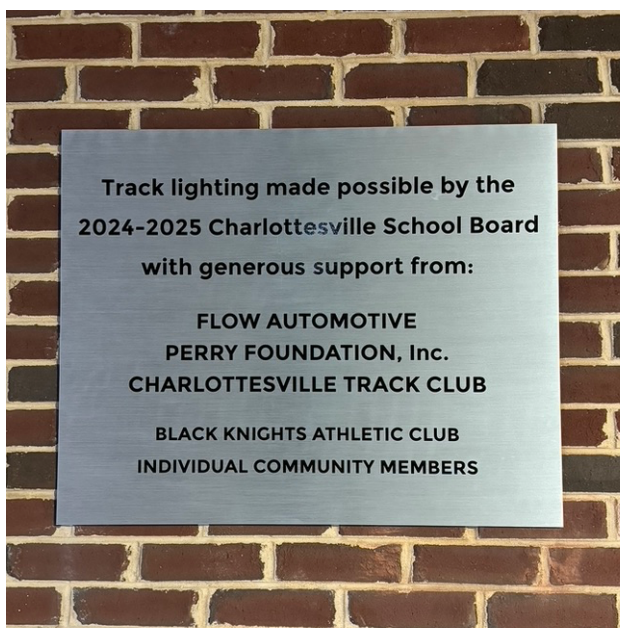

Representatives from these groups lined up on the track in preparation for cutting the celebratory ribbon....

The ribbon was cut, the switch was flipped, and the lights came on!! What a great resource for our community!

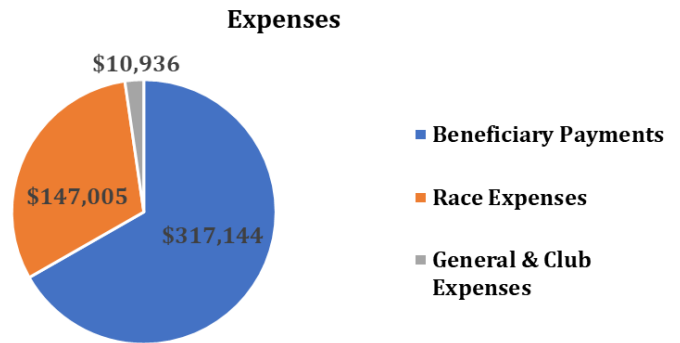

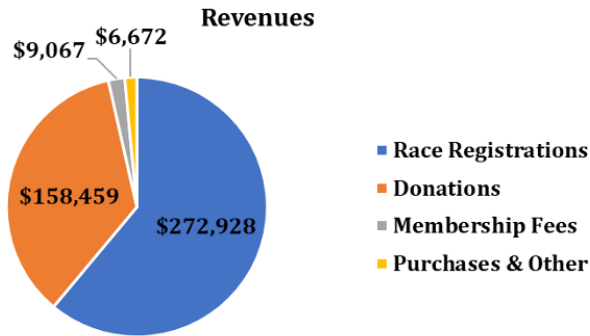

Plaque on field house next to the track:  
CTC made the first contribution to the fundraising campaign for the lights (led by the Black Knights Athletic Club) to honor Mark Lorenzoni for his many contributions to our community.
